

Safeguarding Children, Young People and Vulnerable Adults Policy **for Oldham and Saddleworth Methodist Circuit**

This policy was agreed at the Circuit Meeting held on 26th September 2019.

It will be reviewed on 30th April 2020.

1. The Policy

The Methodist Church, along with the whole Christian community, believes each person has a value and dignity which comes directly from God's creation of humans in God's own image and likeness. Christians see this as fulfilled by God's re-creation of us in Christ. Among other things, this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

The Oldham and Saddleworth Methodist Circuit is committed to the safeguarding and protection of all children, young people and adults and affirms that the needs of children or of people when they are vulnerable and at risk are paramount.

The Oldham and Saddleworth Methodist Circuit recognises that it has a particular care for all who are vulnerable whether by disabilities or by reduction in capacities or by their situation. It is recognised that this increased vulnerability may be temporary or permanent and may be visible or invisible, but that it does not diminish our humanity and seeks to affirm the gifts and graces of all God's people.

This policy addresses the safeguarding of children, young people and vulnerable adults. It is intended to be a dynamic policy. It is intended to support the Church in being a safe, supportive and caring community for

children, young people, vulnerable adults, for survivors of abuse, for communities and for those affected by abuse.

The Oldham and Saddleworth Methodist Circuit fully agrees with the statement reiterated in Creating Safer Space 2007:

As the people of the Methodist Church we are concerned with the wholeness of each individual within God's purpose for everyone. We seek to safeguard all members of the church community of all ages.

The Oldham and Saddleworth Methodist Circuit recognises the serious issue of the abuse of children and vulnerable adults and recognises that this may take the form of physical, emotional, sexual, financial, spiritual, discriminatory, domestic or institutional abuse or neglect, abuse using social media or human trafficking (slavery).

It acknowledges the effects these may have on people and their development, including spiritual and religious development. It accepts its responsibility for ensuring that all people are safe in its care and that their dignity and right to be heard is maintained.

It accepts its responsibility to support, listen to and work for healing with survivors, offenders, communities and those who care about them. It takes seriously the issues of promotion of welfare so that each of us can reach our full potential in God's Grace.

The Oldham and Saddleworth Methodist Circuit commits itself to:

i) RESPOND without delay to any allegation or cause for concern that a child or vulnerable adult may have been harmed, whether in the Church or in another context. It commits itself to challenge the abuse of power of anyone in a position of trust. It commits itself to providing informed pastoral care to those in need, including the supervision of those who have committed criminal offences.

ii) Ensure the IMPLEMENTATION of Connexional Safeguarding Policy; government legislation and guidance and safe practice in the Circuit and in the churches.

iii) The PROVISION of support, advice and training for lay and ordained people that will ensure people are clear and confident about their roles and responsibilities in Safeguarding and promoting the welfare of children and adults who may be vulnerable.

iv) AFFIRMING and giving thanks for the work of those who are workers with children and vulnerable adults and acknowledges the shared responsibility of us all for Safeguarding children, young people and vulnerable adults who are on our premises.

2. Purpose

The purposes of this Safeguarding Policy are to ensure procedures are in place and people are clear about roles and responsibilities for children and vulnerable adults in our care and using our premises. It is to be read in conjunction with the **Safeguarding Policy, Procedures and Guidance for the Methodist Church (2019)**. The full implementation of these policies should achieve the following:

- The Methodist Church (and all associated activities) is a safer place for everyone. Communities we serve have confidence that children and vulnerable adults are as safe as possible and that their wellbeing is enhanced in the life of the church.
- People in the church are alert to unsafe practices and are able to challenge them.
- Office holders are safely recruited, trained for their roles and are accountable for their activities.
- People who have experienced abuse are accepted, empowered and supported in maintaining control over their lives and making informed choices without coercion.
- People who abuse are held accountable to the law and their risk is managed while they are supported and challenged to address their motivations and behaviour.

3. Roles and Responsibilities

It is the responsibility of each Circuit Meeting to appoint a Circuit Safeguarding Officer and there should be no gaps in this crucial provision. 3.4 Circuit Stewards

Ensure agreed procedures are in place for Circuit and Ecumenical Events that involve children or vulnerable adults.

Procedures for Circuit events involving children, young people or vulnerable adults:

It is essential that Circuit Events that involve children or vulnerable adults do not slip through the net because they are not owned by one church. Circuit Events to be notified to the District Safeguarding Officer prior to these being agreed to ensure that all permissions, risk assessments and good practice guidelines are in place.

Responsibility for those planning and leading the event:

All those involved in leading and running the event must be aware of the procedure.

The event should have been planned effectively and attention given to the following issues:

1. Risk assessment and suitability of the activity and the premises
2. The appointment of a team to take charge of the event, including Safeguarding and first aid personnel (particular health or ability needs should be taken into account)
3. Numbers of children, young people or vulnerable adults involved to be recorded.
4. Transportation should follow good practice guidelines.

This information is to be sent to the District Safeguarding Officer for approval PRIOR to the event being agreed.

Key Concepts and Definitions

1. A child is anyone who has not yet reached their eighteenth birthday. The fact that a child has reached 16 years of age, is living independently or is in further education, a member of the armed forces, in hospital or in custody in the secure estate, does not change his/her status or entitlements to services or protection.
2. Vulnerable adults: Any adult aged 18 or over who, due to disability, mental function, age or illness or traumatic circumstances, may not be able to take care or protect themselves.
3. Safeguarding and protecting children or vulnerable adults from maltreatment; preventing impairment of their health and ensuring safe and effective care.
4. Adult/child protection is a part of safeguarding and promoting welfare. This refers to the activity undertaken to protect children/specific adults who are suffering or are at risk of suffering significant harm, including neglect.
5. Abuse and neglect may occur in a family, in a community or in an institution. It may be perpetrated by a person or persons known to the child or vulnerable adult or by strangers, by an adult or by a child. It may be an infliction of harm or a failure to prevent harm.
